

## Assembly Warehouse

New Way Air Bearings  
Aston, PA, USA

401K, Dental, Life, Medical, Vision

Full-Time

**POSITION OBJECTIVE:** Provide timely and accurate assembly of components as per the customer's specifications.

### POSITION RESPONSIBILITIES:

**A.** Work from drawings/sketches and verbal instructions to assemble components and primaries.

- Gather instruction/process books.
- Work with materials department to gather required parts.
- Manually assemble components by screwing, gluing, soldering and using a variety of hand tools.
- Assemble primaries according to specifications, using extreme caution while working with epoxies, molten lead and sulfur compounds.

**B.** Perform final evaluation of all completed parts

- Check measurements of parts against product drawings using a variety of tools.
- Test products for operability
- Document processes and test results as required
- Assume final responsibility for all finished products

This position description is not intended to be all-inclusive. Job duties may be added or deleted at the sole discretion of management.
